SIZE

REF

0.4mm diameter	3074
0.5mm diameter	3075
0.6mm diameter	3076
0.7mm diameter	3077
0.8mm diameter	3078
0.9mm diameter	3079
1.0mm diameter	3070
1.1mm diameter	3071

Supplied: 1 each single sterile silicone plug per pack, supplied pre-loaded on a disposable inserter/dilator, color coded according to size.

• Better Fit

The ribbed interior and exterior shaft provide true flexibility. FlexPlug compresses, elongates and bends at both shaft and rim.

• Increased Retention

External ribs provide approximately 30% more surface area, thus more tissue contact.

• Patient Comfort

The super thin rim reduces corneal contact for unsurpassed patient tolerance.
